July 24-29

## Blue Crew News

The Pleasant Hall Volunteer Fire Company is actively seeking volunteers interested in helping out with various functions within the fire company. They are in need of Firefighters, EMTs, Fire Police, and Support Personnel. Support personnel help with fundraising events and social activities. Fire and EMS training are provided for free to qualified applicants. Volunteers must be at least 14 years of age to volunteer. Stop by the fire station or the township building to pick up an application.

In other news, the Rescue Engine was refurbished and returned to service in December. The new Ambulance continues to be on back order awaiting the availability of a chassis. Through a partnership with Red Cross, free smoke detectors are available to residents in PHVFC First Due Area. Finally, Fund Drive letters will be mailed out in July. Any financial support you can provide is greatly appreciated.
